Three Tie for Bank Cash Award

Three Torrance residents tied for first place winnings in a "treasure chest" contest at Bank of America's new Sepulveda-Hawthorne branch in Torrance. It was announced this week by Manager Verne L. Hughes.

Visitors to the branch for the past two weeks were asked to guess how many candy gold coins were in the pirate's treasure chest on display in the lobby.

Jimmy Sunsted of 22318 Marjorie St.; Carol J. Deslorio of 22314 Ward St., and Gaylord S. Toiry, 4527 Newton St., won \$50 savings accounts with their guesses of 1872 gold coins. The actual total was 1865.

Other Torrance savings account winners were: John Willems of 1717 Greenwood Ave., \$25; A. E. Roberts of 21913 Ladeene Ave., \$10; Leonard Pekarick of 3530 W. 224th St., \$10; Joan H. Smith of 21617 Palos Verdes Blvd., \$10, and Helen L. Angelas of 22515 Anza Ave., \$10.

Three \$5 account winners in the contest, which closed July 31, were: Janet Daum and W. H. Evans of Torrance, and Bill Russell of Redondo Beach.

Call for Bids for Alondra Building

Construction bids for a community recreation building in the northwest section of Alondra park will be opened by the County Engineer next Wednesday afternoon, Supervisor Kenneth Hahn announced today.

The latest in a long series of major improvements for Alondra

park, the new recreation building will make possible a greatly improved and expanded recreational program for a large area. Project will include site development, landscaping, paving, fencing, sidewalks, curbs and construction of a building of nearly 5000 square feet.

The recreation building itself will contain a large activities room, a meeting room, crafts room, utility room, kitchen, offices and restrooms.

A large paved patio area of nearly 10,000 square feet will add to both the utility and beauty of the park, Supervisor Hahn said.

Plans for the new building were prepared by the architectural firm of O'Leary and Terasawa.

Supervisor Hahn pointed out that the building can be used for a variety of purposes including meetings of civic organizations, veterans groups, youth groups, square dancing and other recreational activities as well as the regular recreational program which will be scheduled by the County Parks department.

Raise Funds for FM Radio Station

John McClure and Robert Reitor, both of Torrance, have formed a local KPFK Founders Committee here to introduce this new radio station to the community. KPFK is a new non-commercial, listener-subscription radio station. The FM outlet (90.7 mc) will transmit from Mt. Wilson with a power of 75,000 watts, covering all of Southern California.

"KPFK will be a local free and independent means of communication—free to express every shade of responsible opinion, free to program the finest music," Dr. McClure said.
